& guys ecstatic! But let’s
don’t fool ourselves:
HARD cases there!

So let’s NOT, also,

shoot a man in Reno
just to see him die.

Wrong message.

But guess I shot Chinaman
for reasons similar: gray eyes
pleading...pleading...

Hey TOO, the harrow-
ing, unsettling TALK!

Or *whatever...?* Like,
who understands

Chink-babble? Hell!
I woulda wished him, then,
Godspeed! before jerking

the trigger.

Awful picture? Oh?
War’s awful, so

do what you can
to oppose? Yeah!
Your being positive-

ly shameful
up to now!

UNFORTUNATELY!
Hon-ey-bun.
